

Plan ahead for summer road construction McCall to New Meadows

Drivers should **plan extra time** when traveling on Idaho 55 between McCall and New Meadows this summer. The Idaho Transportation Department will be widening the shoulders and improving the roadway to **enhance safety and visibility on Goose Creek Grade**. Work will include rock removal and clearing trees in order to smooth several curves.

What to Expect During Construction

MID-MAY TO EARLY OCTOBER

- Goose Creek Grade will be reduced to one lane in the work zone with flaggers directing traffic in alternating directions. A temporary signal will control traffic during off-work hours.
- Traffic will be stopped for periods of up to 30 minutes.
- Rock blasting will require several closures of up to two hours each. Blasting will occur between 6 and 10 p.m.
- Work will be done in the daytime from 7 a.m. to 7 p.m. Monday – Thursday, and until noon on Fridays.
- The speed limit will be reduced to 35 mph in the construction zone.

BE NOTIFIED OF TRAFFIC IMPACTS by signing up for email construction updates. Send your email address to comments@itd.idaho.gov or call (208) 334-8005.
